

## HQ Association's History - 100 Years of Hockey

---

---

### 2021 marks 100 Years of Hockey officially played in Queensland!

As part of these celebrations, Hockey Queensland are requesting a brief history from each of our Associations to profile each of you online over the 2021 year.

This is your opportunity to promote your achievements, your history, and your legacy state-wide and beyond. You are encouraged to provide as much interesting information possible - 100 years is a long time!

If you think of any more information to add after you have submitted the survey OR there isn't enough room in the survey, please do not hesitate to contact Danielle on [DSturgess@hockeyqld.com.au](mailto:DSturgess@hockeyqld.com.au) or log in and complete the survey again.

HQ also request 2-15 photos from each Association to go with your history. Please send these via [Dropbox](#) or [WeTransfer](#) to Danielle at [DSturgess@hockeyqld.com.au](mailto:DSturgess@hockeyqld.com.au)

This form is conducted in accordance with our Data Collection Privacy Policy. <https://www.hockeyqld.com.au/surveys/privacy>
